More Information on Public Meetings

This is the second meeting of the Economic and Allocation Advisory Committee (EAAC), which is addressing economic analysis of the AB 32 Scoping Plan and allowance allocation in the California cap-and-trade program. Other public meetings to discuss California's response to climate change can be found at <http://climatechange.ca.gov/>. At this website, you may also join our electronic mailing list to receive further notices of climate change activities and public meetings.

Meeting Materials

Meeting materials and an agenda will be posted prior to the workshop at <http://climatechange.ca.gov/eaac/>

Can't Make It to the Meeting?

Cal/EPA will webcast this meeting. Viewers can email written comments or questions during the session to eaac@calepa.ca.gov. Webcast links are posted at <http://www.calepa.ca.gov/broadcast/>. Cal/EPA recommends that you do not run other programs while viewing the webcast, as it may interrupt or lower the quality of the signal.

Directions to Bently Reserve

There are many ways to arrive at the Bently Reserve. We encourage you to take public transportation or drive low emission/high efficiency vehicles whenever possible.
